Loomis welcomes the **6th annual Taste of Loomis** food and wine expo June 15, 2018, presented by For One Another Foundation.

More than 40 local restaurateurs, breweries and wineries will offer a delicious combination of ethnic dishes, family favorites, exotic and local specialties for more than 400 guests at the Blue Anchor Stage & Park area in Loomis, Ca.

Here are the top 5 reasons why your restaurant needs to be at the Fourth Annual Taste of Loomis Festival:

1. This is a [prime marketing tool](#) to expose your high-quality cuisine to 400/450 individuals, including many current and potential customers.
2. This expo will [attract guests from all over the greater Placer County region](#). This is an excellent opportunity to showcase your quality creations to customers from outside your local area.
3. There is [no registration fee](#) associated with your participation as an exhibitor at the Taste of Loomis.
4. You will be helping to [support local non-profits](#) in the local area that provide relief world-wide.
5. You will offer event guests [only a Taste](#) of your outstanding cuisine, or beverage. These amazing Tastes will help them determine which venues they wish to bring their friends and family to at a later date.
